| <input type="checkbox"/> 5 | Zut! J'en ai aucune idée! <i>Was this even French? (I have no idea!)</i>              |

Explain your rating above in a few sentences.

*You may also wish to note whether you used subtitles, if you were able to slow down the speed (on YouTube, for example), if you learned some new words or expressions, if you picked up some recently learned grammatical points, if you heard different accents, and/or if you are noticing a difference from week-to-week in your ability to understand when you listen.*
